

Standard PVC Tubing

PVC TUBING

Our PVC product line offers you a choice of standard catalog items in 4-1/2" OD. And these PVC parts are "ID friendly" with our corresponding metal line of tubular components featured in this catalog. With "Thousands of solutions under one roof", H-P Products, Inc. gives you maximum flexibility in designing a system with metal and PVC applications!

OUR MetFlo™ PVC TUBING & FITTINGS ARE:

- "ID Friendly" with metal tube
- Lightweight
- Non-corrosive
- Easy to assemble into offsets
- Economical to install
- Wrinkle-free bends with a uniform ID throughout
- 110mm PVC Tubing & Bends now available

MATERIAL SPECIFICATIONS:

- 1120 Type 1, Grade 1, Gray Rigid PVC
- 4-1/2" OD Parts are 4.385" ID
