4" lengths are
single handle

9-1/2" lengths are
2 handle

Super Grip Specifications

The Super Grip was devised as a quick coupler for dry bulk transport tank tubing. This unique coupling slides onto the tubing or wraps around it and is tightened by hand in seconds, and it provides better support than rubber hose and band clamps. Our exclusive fail-safe clamping action keeps its hold despite expansion, contraction and vibration. And because it's made of 100% Stainless Steel, it will not corrode due to harsh weather or road conditions.

- 100% Stainless steel with stainless steel grounding strip standard
- FDA approved gum rubber gasket comes standard
- 1-1/2" Through 12" OD for tube
- 1-1/4" Through 12" NPS for pipe

TERMINOLOGY

CLR = Center Line Radius
ERW = Electric Welded Resistance
FNPT = Female National Pipe Thread
ID = Inside Diameter
MNPT = Male National Pipe Thread
NPS = Nominal Pipe Size
OD = Outside Diameter
SCH = Schedule

All reference dimensions are nominal.
